FINE BLADED

HEAT TOLERANT

LESS FERTILIZER

WEAR TOLERANT

DISEASE RESISTANT

ALLSTAR³

Perennial Ryegrass

QUICK FACTS

ALLSTAR-3 is an elite, new and improved, heat and disease tolerant, very dark green, fine bladed, endophyte enhanced variety. AllStar3 rated in the top group of varieties for overall turf quality in the most recent NTEP test. It has excellent seedling vigor and rapid establishment. AllStar3 also has very high resistance to gray leaf spot and many turfgrass diseases including Brown Patch, Rust and Red Thread.

ADAPTATION

ALLSTAR-3 was developed for permanent poly-species turfgrass blends and mixtures containing improved perennial ryegrass; Kentucky bluegrass; chewings, slender creeping and strong creeping red fescue, colonial bentgrass and turf type tall fescue. AllStar3 is also used extensively in overseeding programs on sports fields and fairways either alone or in species mixtures.

- ✓ DARK GREEN COLOR
- ✓ GOOD HEAT TOLERANCE
- ✓ HIGH WEAR TOLERANCE
- ✓ EXCELLENT TURF QUALITY
- ✓ HIGH DISEASE RESISTANCE
