QUICK FACTS

DERBY XTREME is an elite perennial ryegrass featuring a dark green turf color, a fine leaf texture and excellent fall density. Based on the latest NTEP data, this sturdy variety should stand up well against wear, making it an top choice for sports fields and other high traffic areas. Derby Xtreme has demonstrated strong resistance to rust, gray leaf spot and brown patch diseases. Derby Xtreme is a proven stand-out for high-end sports turf and home lawns.

ADAPTATION

DERBY XTREME was developed for permanent polyspecies turfgrass blends and mixtures containing improved perennial ryegrass; Kentucky bluegrass; chewings, slender creeping and strong creeping red fescue; colonial bentgrass and turf type tall fescue. Derby Xtreme can also be used in overseeding blends and mixtures on sports fields and fairways.
